

**Statement of Charges for Provision of
Metering Point Administration and Data
Services for
The Electricity Network Company Limited**

Effective from: 1st April 2010

Introduction

This statement details the charges to persons (Users) using The Electricity Network Company Limited's (ENC) electricity distribution system for the provision of metering point administration and data services.

The statement has been prepared in accordance with the requirements of licence condition 14A of the electricity distribution licence granted in accordance with the provisions of the Electricity Act 1989 (as amended from time to time).

The charges are provided pursuant to Schedule 8 of The Master Registration Agreement. Additional services will be quoted separately and billed in accordance with the Distribution and Connection Use of System Agreement.

This statement has been prepared in a form approved by the Gas and Electricity Markets Authority (the 'Authority').

ENC's charging statements on the:

- Use of System (UoS) Charging Methodology (SLC13);
- Use of System (UoS) Charges (SLC14); and
- Connections Charging Methodology and Statement.

are published separately.

Upon request a copy of this statement can be provided at a cost of £10.00 plus VAT. Alternatively a copy can be downloaded from our website, www.gtc-uk.co.uk free of charge.

Changes to this Statement Charges

Charges shown are current at the time of publication. Changes to these charges will be subject to the provisions of the relevant agreement for use of system. The Company shall give 30 days notice of any changes to the charges in this statement.
