Quote Type: Firm Budget * Solar PV

	Total Plots	Gas Plots	Electricity Plots	Any other fuels?
No of Domestic Plots				
No of Commercial Plots				

- * **Site Location Plan** and Site Boundary Drawing
- Scaled Site Plan** – including Plot Numbers & House Types (Number of bedrooms)
Any plans which you email into the office, please state the paper size the plan needs to be printed on, to keep the correct scale. Paper size required _____
- Future Development** Y N If Yes, please indicate location on your enclosed plan & state number of units
- Date utilities required on site** Gas _____ Electric _____
- Is the site **brownfield/regeneration**? Y N If Yes, please provide copy of soil investigation report
- Internal Meter Positions for Flats** – Are the flats timber framed? Y N
- Gas Internal Meter Positions for Flats** – floor plans showing the meter positions and riser/laterals routes
- Electric Internal Meter Positions for Flats** – Please select 1 of 3 options below and provide information

<input type="checkbox"/> Option 1	Meters at communal position on ground floor - Please show meter group position on site plan
<input type="checkbox"/> Option 2	Meters at communal position on each floor - Please provide floor plans, showing group meter positions
<input type="checkbox"/> Option 3	Meters individual positions in each flats - Please provide floor plans showing each meter position & riser routes

- Heating type - Electric only plots**
 - Panel heaters
 - Air source
 - Storage heaters
 - Heat pumps
- Are there any heat pumps** – please provide Name and model details _____
Back-up system type _____
- Is there a **Combined Heat & Power (CHP) or Biomass boiler** on the development?
If yes, please provide details: _____
- Electricity Substation position** shown on plans

House Name/ Reference Numbers and/or Plot Numbers	Number of Beds	House Types (please tick)				
		Detached House	Semi detached House	Terraced	Flat	Detached Bungalow
		<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
		<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
		<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
		<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
		<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
		<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Motors (Details of Electrical Loading)							
Lift/Motor/Pump/ Landlord Supply	Numbers required	Phase		Landlord Load	Motor Size (kw/hp)	Type of Starter (eg Soft Start)	Startin current
		Single	Three	kVA			

Commercial Units - please provide loading details, per unit, on form below. Numbers of each type required.				
Unit	Type of Unit Eg. office, warehouse, industrial, retail	Gas Load AQ (kWh)	Gas Load Peak (kWh)	Electric Load (kVA)

Are there any other renewable solutions on your development which would have an impact on the utility networks. If Yes, please provide details: _____

Would you be interest in receiving GTC's Solar Photovoltaic (PV) quotation? Y N

If you are interested in Solar Photovoltaic (PV) quotation, please provide the following information:

- 1:500 Scaled plans** - dwg format for all dwelling types, including all types of roof elevations
- Orientation or OS grid references.**
- Location** for the inverter and generation meter for each dwelling
- Construction programme** - Build profile schedule.
- Plot confirmation** - private & social plots
- Renewable energy/CO2/CfSH/Energy related planning condition**
- Energy Design statement** - full electric site demand and renewable target.
- SAP Confirmation** - Whether SAP2005 or SAP2009 has been used for energy calculations.

Any other comments to be considered for your development:
Please provide all information possible to avoid undue delay. If there are any issues with the information required please contact GTC on 01359 24154
