

# **Statement of Miscellaneous Services Charges for The Electricity Network Company Limited**

Effective from 1<sup>st</sup> October 2009

## **1. Introduction**

This statement details the Transactional charges to be levied to persons (Users) using The Electricity Network Limited (ENC's) electricity distribution system for the purpose of conveying electricity to and from premises or distribution networks of other electricity network operators.

The statement has been prepared in accordance with the requirements the electricity distribution licence granted in accordance with the provisions of the Electricity Act 1989 (as amended from time to time). Words and expressions used in this statement shall have the meaning given to them in the Act and in the electricity distribution licence and shall be construed accordingly.

This statement has been prepared in a form approved by the Gas and Electricity Markets Authority (the 'Authority').

This document should be read in conjunction with the Use of System Methodology Statement and the agreement for the use of system in place between ENC and the User, which sets out, inter alia, the licence obligations and the terms and conditions for providing use of system.

ENC's charging statements on the:

- Use of System (UoS) Charging Methodology;
- Use of System (UoS) Charges;
- Connections Charging Methodology and Statement; and
- Meter Point Administration Charges.

are published separately.

Upon request a copy of this statement can be provided at a cost of £10.00 plus VAT. Alternatively a copy can be downloaded from our website, [www.gtc-uk.co.uk](http://www.gtc-uk.co.uk) free of charge.

## **Changes to this Statement Charges**

Charges shown are current at the time of publication. Changes to these charges will be subject to the provisions of the relevant agreement for use of system. The Company shall give 30 days notice of any changes to the charges in this statement.

## **Table of Contents**

1. Introduction .....	2
2. Transaction Charges for Energisation, De-energisation, Re-energisation.....	5
3. Transaction Charges For Revenue Protection Services .....	6
4. Transaction Charges For Urgent Metering Services .....	7
5. Radio Teleswitching Services.....	8

## 2. Transaction Charges for Energisation, De-energisation, Re-energisation

The following charges apply where the relevant service is required of the distributor rather than the Meter Operator. These charges are based on the energisation, de-energisation and re-energisation being undertaken at the service cut-out/ meter position. Other methods of de-energisation, re-energisation (e.g. service cable joint) will be individually quoted.

The way in which some ancillary services are provided will depend upon site-specific requirement and/or supplier instructions.

<b>Transactional Charges for Energisation, De-energisation and Re-energisation Services</b>	
<b>Activity</b>	<b>ENC Charge</b>
<p><b>Energise, De-energise or Re-energise.</b> Visits to site premises to perform a change of energisation at the suppliers request will incur this charge even when the request does not result in a change to energisation.</p>	£100.00
<p><b>Abortive Visit Charge</b></p>	£50.00
<p><b>Investigate Fault</b> Where no fault found or fault lies in equipment which is the responsibility of another person</p>	£50.00
<p><b>Disconnection of supply</b></p>	Individually quoted
<p><b>Out of hours visits</b> Normal working hours: 08:30 – 17:00 Monday to Friday Out of hours: all other times</p>	£150.00
<p><b>Unmetered Supplies</b> Charges will be individually quoted on application</p>	Individually quoted

Charges for other services ancillary to Use of System will be individually quoted.

### **3. Transaction Charges for Revenue Protection Services**

ENC does not offer services for Revenue Protection. Therefore users/suppliers are advised to make their own arrangements for this service.

If ENC subsequently chooses to provide such services, charges will be individually determined to reflect the level of service required. Any agreed terms will be included in an agreement between the supplier and ENC.

#### **4. Transaction Charges for Urgent Metering Services**

ENC does not offer services for Urgent Metering. Therefore users/suppliers are advised to make their own arrangements for this service.

If ENC subsequently chooses to provide such services, charges will be individually determined to reflect the level of service required. Any agreed terms will be included in an agreement between the supplier and ENC.

## **5. Radio Teleswitching Services**

ENC does not offer services for Radio Teleswitching. Therefore users/suppliers are advised to make their own arrangements for this service.

If ENC subsequently chooses to provide such services, charges will be individually determined to reflect the level of service required. Any agreed terms will be included in an agreement between the supplier and ENC.
